A note from your HM about upcoming events at

As you all know, Sunday School will soon be closed for Summer vacation. I cannot believe how fast this year has gone by so far.

Even though we will not have any classes, we are planning for a very busy but fun summer for our St. Ignatius Cathedral kids. Below is a sneak peak of upcoming events.

For the month of April:

- ◆ On April 28th, 12th graders will have their final exam.

For the month of MAY:

- ◆ On May 5th, we will have our first group of Sunday School graduates after our church has been ordained as Cathedral.
- ◆ On May 12th Sunday School will be having Final exams for 1st thru 11th graders.

For the month of JUNE:

- ◆ We will be having our VBS from June 10th thru 14th. The theme of

VBS this year is very close and true to Texas—Cowboy theme named Sonwest Roundup.

- ◆ Our youth is already planning for an exciting VBS adventure for this year.

For the month of JULY:

- ◆ We have our family conference right here in Dallas.
- ◆ Also, this month we intend to start our practice for the upcoming Regional competition.

For the month of AUGUST:

- ◆ We will be having our local competition in preparation of the upcoming Regional completion in September.
- ◆ Sunday School should reopen by end of August. The date of reopening will be announced at a later date.

For the month of SEPTEMBER:

- ◆ We will have our annual Regional Competition. Date of this event will be provided to all of you, at a later time.
- ◆ Every year this event is held at our church. Hopefully, this year also our church will be selected as a venue for this competition.

I hope to see all of you for these events.

Know Your Teachers: Gigi Paul

I teach fourth grade students, and this is my fifth year of teaching Sunday school kids. I'm a member of our church for the last ten years. Before that I used to be a Sunday school teacher at St Thomas Church, Long Island, NY.

In India, I hail from St. Mary's Vellayapalli, Niranam. I came to US when I was an 8th grade student. I graduated from St. John's University, NY, and am a CPA by profession.

I live in Highland Village with my husband, Bobby, kids Alisha & Matthew. It's a great privilege and blessing to teach the kids. They come prepared, and are excited to learn new lessons every Sunday.
